Officers’ Reports

President: Liann Osborne

Osborne does not have any report but Osborne would like to let everyone know that Brune and Osborne will be attending an event hosted by the Oakland Black Deaf church at CSD-Fremont. DCARA is really making an effort to reach out to Deaf people of color.

Osborne passed out the Committees for 2009 for each member to use as a reference.

The Committees for 2009 are:

Strategic Planning: Chris Held, Andrew Phillips, Liann Osborne, Jim Brune, Marta Ordaz, Mark Vanni, Patty Souza, Virginia Beach. (Meets on the first Tuesday of each month.)

Personnel Manual Committee: Sunnie Kaufmann, Jim Brune

Board Recruitment and Board Development: Jenny Cantrell, Sunnie Kaufmann, Karina Pedersen, Liann Osborne, Roberto Solorzano

Fundraising: Chris Held, Jaime Jackerson, Isidore Niyongabo, Karina Pedersen, Liann Osborne, Katie Canfield. (Meets on the fourth Tuesday of each month.)

Vice President: Roberto Solorzano

Solorzano is working with ED Brune on a process and procedures protocol for motions and minutes as well as developing a training regarding said items. Thursday Feb, 25th, they have a meeting to discuss this topic with the committee.

Secretary:

None.

Treasurer: Patty Lessard

The Finance Committee met with Business Manager Souza and ED Brune on February 5, 2009 to discuss the Financial Reports for the month of October 2008. At its next meeting, the Finance Committee will be provided the statements of financial activity for the months of November through January. The goal is to never be more than two months behind in receiving reports. Additionally, the committee was able to schedule meetings once a month for the remainder of the calendar year. Because the committee is comprised of individuals and staff who live and work on opposite ends of the Bay and cities in between, the meetings will alternate between DCARA HQ and the Family Resource Center in Fremont. Any Board member who is interested in attending, let me know and I will give you the date(s) and location(s).

In October the agency did not need to borrow from the LOC, but as with the rest of the nation, it took a hit on its investments.

The October Financial Reports did not include any of the money we know the agency received as a result of the donation letters that were sent out in November and December. We will be looking for those numbers at our next meeting.

We also will look to see what effect the hiring of additional staff will have on the salary budget. So far it is under budget for the month of October.

Cash Reserve – As of October, there is $1542 set aside into this account. The more we fundraise, the greater this number will be. The Finance Committee will be discussing this account with the Board at the meeting and suggesting possible plans for the funds.

Committee Goals – The Finance Committee has had the goal of having long-term, solid funding with less and less dependency on state funds that continue to
dwindle. This year the Committee will (1) re-visit the goal of establishing an
Investment Plan and Policy and (2) support DCARA’s involvement in the city of
San Leandro’s Transit Oriented Development. There will be a sub-committee
established to work on these goals. Any Board members who are interested in
serving on the sub committee should contact me.

Discussion: we need to expand DCARA’s investments given the current
economic climate.

Board discussed and agreed that more transparency needs to be made
regarding money sources and distribution. Board member Michael Higgins
recommended that a break down report of Staff job positions funding source be
made and distributed to Board. Proposed, recommended and discussed
transferring the monies in Reserve Account to be transferred to Money Market
account.

Some issues to consider: we need to develop a strategy in case some of our
financial sources are cut. Do we use investment money to cover operating costs
or not?

Standing Committees

Board Development and Recruitment:
Karina Pedersen

Pedersen would like to have training for board members, such as on how to read
financial reports.

Fundraising Co-Chair:
Liann Osborne and Chris Held

DCARA will have a house party on Feb. 21. You all are invited. It’s at Dan Girard,
Melinda Harrison, and Heather Montero’s place and the theme is Mardi Gras.
Would like at least two board members to attend.

Held: is looking forward to the next Deaf Community Night (DCN) on March 28th.
Passed out a flyer and asked board members to sell at least four tickets each.

Canfield: would like to have members of the community donate deserts which we
can auction off at the upcoming DCN.

Miscellaneous:

- **DSS Site Visit on January 14th**: As I reported via email, this site visit went well, much to our relief. We all worked hard to prepare for it and the hard work paid off!
- **City of San Leandro site visit on January 14th**: Yes, we had two site visits in one day. LaRonda Zupp and I met with the Human Services manager as well as 3 City Commissioners. We gave a description of DCARA services and answered their questions. We also gave a demonstration of our computer lab as well as the community VideoPhone. It went well.
- **The City of Fremont site visit** is scheduled for February 20th.
- **Executive Assistant Interviews**: Much of my time during this month was spent interviewing applicants for the Executive Assistant position. I received 11 applications and interviewed 8. I was anxious to get through the interviews so that I could hire someone as quickly as possible. The last 2 months without administrative support was difficult.
- **Port of Oakland**: They held a stakeholders’ meeting last Friday February 5th. They discussed what access issues they were working on which includes service animal relief areas, visual signage in the major corridors, and installation of TTYs. I shared with them feedback about the absolute importance of installing VideoPhones and the importance of making Video Remote Interpreting available.
- **Website**: LeRoy and his Website Committee has been hard at work developing a new look for our website. The new website will reflect a much stronger bilingual approach which takes into account the “celebrate ASL” part of our mission statement. The management team will have its first look at the website during our regularly scheduled Management Team meeting on Wednesday February 11th.
- **Strategic Planning Committee**: We had a productive meeting last week on February 3rd with the participation of 3 board members – Chris Held, Liann Osborne, and Jaime Jackerson. (You were missed, Andrew!). The focus of our meeting was to brainstorm various organizations to contact about their strategic planning. We developed a list of questions to ask each organization and divvied up the list of organizations. Now each of us on the committee has our work cut out for us to contact each organization and learn more about their strategic planning. We will meet again next month and share what we have learned so that we can move forward with our own strategic planning.
- **Personnel Manual Committee**: Now that we have a Board representative – Sunnie Kaufmann – on the PM Committee, we’ll be going forward with our first
meeting on Thursday March 5th. We’re looking forward to finally getting around to updating our personnel manual – a long overdue task!

- **Disaster Preparation Committee**: The committee will meet and brainstorm ideas for how the staff should respond in a disaster and how DCARA can help the community around us.

- **Workplace Violence Policy**: DCARA is in the process of developing a guide for what staff members should do if a client harasses him/her.

- **Academic Bowl**: This coming weekend is the Western Regional Academic Bowl at CSD. DCARA will be playing a large part in the Bowl; we will be sending a cadre of staff to work as volunteers to help with the matches on Friday and Saturday.

Hired Chriz Dally to help with Grant writing and search as well as developing Employment training program. She will develop program and then find funding sources.
