Officers’ Reports

President: Liann Osborne
Osborne announced that the President and Vice President might be forced to resign due to potential conflict of interest. At this time this situation is being looked into by staff members in the Department of Rehabilitation's Legal Department. Osborne wanted all the Board members to be aware of this situation and be prepared for whatever may come. The conflict lies within the funding that DR may provide DCARA with to establish or operate the pre-employment program, which Osborne is excited about. Osborne will keep everyone informed of any news regarding to this situation.

Vice President: Roberto Solorzano
Solorzano reminded Board members to be committed to their committees and to sign up for more than one. He explained that this is an important commitment and Board members need to assist the committee chairs.

There will be a Cinco de Mayo event at the DCC on May 16th and Solorzano will be moderating a panel of deaf Mexicans who now live in the United States. He asked that Board members attend and show their support.

The Board will also need to discuss the employment contract of ED Jim Brune following the meeting.

DCARA Board Meeting Minutes

At that time we all discussed the new budget scenarios presented by ED Brune and Business Manager Souza also in attendance. Initially, the Board was presented with Budget Plan A. After discussion at the April board meeting, staff prepared additional plans, B-G.

After much discussion and deliberation, two additional scenarios were suggested, H and I. ED Brune will be sending those to the Board before the meeting. It was difficult to come to any one decision on which budget to present at the May meeting, so all three will be given to the Board, encouraging discussion, ideas, feedback, etc., from everyone. We anticipate some disagreement, and that is healthy. After all, that is how we arrived at the two new alternative scenarios during our meeting.

Several ideas were presented for saving money. For example, the Finance Committee usually meets once a month and incurs interpreting costs as a result. Beginning next month, the Committee will meet over AIM, or VP to save on interpreting costs and hopefully save time for the committee members.

It is hoped that the Board will take a very close look at what is being proposed this year. The FY 2009-2010 budget plans have laid out some aggressive goals in terms of cost savings and funds being generated through fund raising events, workplace giving, monies awarded through grants and foundations, and individual contributions by/on behalf of the Board, etc.

The Finance Committee did not have a chance to formally review the Financial Reports for March 2009. It will ask the Board if there are any questions or concerns regarding these reports during the meeting; resulting in either making a motion to accept the reports or bringing Board questions back to staff.

At this time, the agency is preparing for its 2008-2009 audit. Every year DCARA hires an auditing firm to perform the audit, which will then be presented to the Audit Committee. Crosby and Kaneda is one firm that DCARA has used in the past. They were used to do the audit last year. Since there has not been three consecutive years of service from Crosby and Kaneda, DCARA can use their services again this year. We recommend that the Board approve a motion to appoint them again this year.

In addition, there will need to be a committee formed for the 2008-2009 audit. There must be at least one member from the Finance Committee, and Joe Fercho has agreed to be it. There should be at least 2 other Board members on the committee.
Motion: That the DCARA Board select Crosby and Kaneda, Certified Public
Accountants who are dedicated to Nonprofit Organizations, to perform the
2008/2009 FY audit.

Standing Committees

Board Development and Recruitment: Pedersen

The Board Retreat will be held on June 20th. Once again, Pedersen cannot
emphasize more the importance to attend. Two members will not be able to
attend and Pedersen has made a decision to go on with this retreat due to
majority being able to.

President Osborne and Pedersen will attend the Strategic Planning Committee
meeting on June 2nd to learn more about strategic planning issues DCARA will
need to work on and see how the Board retreat can address some of these
concerns.

Pedersen is working on planning the Board retreat and will let the Board know
the schedule soon. She is looking forward to discussing past and present goals
of DCARA, and visions for the future.

Fundraising Committee Representative:
Katie Canfield

DCARA has had a very successful year to date fundraising. DCARA still needs to
raise more money due to the budget situation. The Fundraising Committee
proposed a very optimal goal and Canfield is not sure if it is realistic. Tonight in
the discussions, the Board will be presented with more conservative numbers.
DCARA needs more contributions from Board members. Also, DCARA has cut
expenses on events by a lot over the last four years.

There will be a house party on May 30th and hopefully Board members can
attend.

DCARA Board Meeting Minutes

• One position has been filled:
  * CSS – Family Life Educator – Deborah O’Willow will begin on June 25th.

• DCARA currently has 3 positions open (including I&R position):
  * Information & Referral Specialist position (we are doing interviews this week).
  * EDD - San Francisco Job Developer/Interpreter
  * Staff Interpreter (part-time)

DCARA Presentations/Workshops/Events in April:

• DCARA had a Tech Day event on April 18th at DCC which drew more than 90 people. DCARA was able to get $3,200 in sponsorships and had booths from various companies and organizations so people could get information about technology that’s currently available. It was a big success. DCARA had this annual event but then put it on hiatus. It’s good to have it back.
• On-going computer classes at DCC, San Jose, and FOG (beginner and advanced classes). Right now, DCARA has four different series of computer classes going on.
• On-going ASL classes for HOH/LD people
• Gallaudet Leadership Institute classes provided by Jack Levesque: “Deaf Culture, Deaf History, Deaf Leadership”
• Deaf Foreign Born classes in San Jose
• Workshop on the basics of recycling for the San Leandro Deaf Seniors group
• DCARA has a partnership with Sorenson in which they come once a month to San Leandro, San Jose, and FOG to provide one-on-one tech support and information. This has been very effective because it used to be that clients would come in and ask our staff to take on the technical assistance calls. Now, Sorenson comes and works with our clients directly.
• Workshop on assistive devices and arthritis coping skills for the Hayward Deaf Seniors Group.

Fundraising:

• The postponed House Party at Dan Girard, Melinda Harrison and Heather Montero’s home in Hayward has a new date: Saturday evening May 30th.

DCARA Board Meeting Minutes

Miscellaneous:

- **EDD RFP:** The total amount they are disbursing is the same ($1.5 million) so DCARA will be applying for the same amount of funding ($390,000). DCARA is finishing up the application and sending it on Wednesday morning May 13th.

- **DCC Rates and Policies:** DCARA has revised the room rental rates and policies and the information is now available on our website. So, DCARA is now back to hourly rental rates. Brune has instructed staff to work on a specific marketing plan to increase occupancy at DCC.

- **Department of Rehabilitation Planning Meeting:** Brune attended this meeting and testified on two different subjects: 1. Public Comments about the State Plan – Brune shared that the National Council on State Administrators of Vocational Rehabilitation had published last year the Model State Plan for VR services for Deaf people. There is **NO** mention in the California State Plan about this report and **NO** mention about services to Deaf and hard of hearing people. Brune told the panel of California DOR people that this oversight must be corrected. 2. They were looking for public comments/suggestions/ideas of how they should appropriate the $56 million that they expect to receive in stimulus money. Brune talked about the huge gap in services for Deaf people needing pre-employment skills training.

- **Coalition:** The Coalition had its first meeting in over a year at GLAD on Friday, April 17th in Los Angeles. They discussed a number of things: 1. the California Alcohol and Drug Program (and the possibility of some of the ADP funding to establish a “pilot” program to serve Deaf people), 2. the California Emergency Management Agency and a new program to train local interpreters on how to interpret during disaster incidents, 3. the transfer of ACCI (American Consortium of Certified Interpreters – an old business the Coalition had years ago) to GLAD, and 4. The transfer of Coalition money to a lower risk investment portfolio.

- **San Leandro House:** Brune met with the Regional Center of the East Bay and the Housing Consortium of the East Bay last Friday, May 8th. They were interested in seeing the inside of the SL house. They are VERY interested in speaking to the DCARA Board about a possible collaboration in which the SL house would house Deaf with developmental disabilities. Brune told them that any discussion would need to happen AFTER the Board has had the opportunity to have a discussion to determine what direction we want DCARA to go in – do we want to “branch out” and serve the Deaf with developmental disabilities population? Is that how we would like to best use the SL House? Or does DCARA want to solidify our services to the Deaf senior population? That could come in the form of the SL house becoming a Board and Care home (the other idea that I mentioned at the last meeting).

- Deaf Employment Training Center: Tonight, Chriz Dally will be giving a presentation on the Deaf Employment Training Center program plan.

Note: Brune will be on vacation starting this Friday, May 15th. He will be out of the country until May 28th. He will be back in time for our internal Full Staff Meeting on May 29th, the CAD Roundtable meeting on Saturday morning 4/30 and the House Party on May 30th. Liann and Leona have a copy of his itinerary so those two will know how to reach me while he is away. And they both have my gmail address which he plans to check every couple of days.
