Officers’ Reports

President: Liann Osborne

At this point Solorzano and Osborne have not been instructed to resign as Board members yet. However, it is clear that as soon as DCARA becomes a vendor of the Department of Rehabilitation the President and Vice President position will need to be replaced with members who do not have any conflicts of interest. Osborne and Solorzano will make sure that the transition is as smooth as possible.

Tonight the Board had a guest-- Chriz Dally, who talked about a wonderful pre-employment program. Dally presented after the Executive Director’s report.

Treasurer: Patty Lessard
The Finance Committee met over videophone on Thursday, June 4, 2009. At that time the committee primarily discussed the new investment policy/plan that they are trying to design and implement. Details on that will follow.

Treasurer Lessard met with Business Manager Souza on Friday, June 5, 2009 to discuss the April Financial reports. Details on that will also follow. Danny Lacey of Kramer Financials was supposed to have a face-to-face meeting with the Finance Committee on Wednesday, June 10th. On Monday, June 8, he said he was not able to keep this commitment. He is hoping to re-schedule with the committee in early July.

As a result of the committee’s discussions during these meetings and subsequent discussions, the Finance committee is prepared to propose several motions and designated duties to Staff to be voted on during New Business and reported back to the Board at the July meeting, respectively. See motions and directives outlined at the end of the report.

The Board will also need to make a motion to direct Business Manager Souza to move the appropriate funds in the Board Budget to balance the allocations there.

Reports on Financial Activity

DSS owes DCARA $300,000 (see Accounts Receivable); that money is expected to arrive soon. It includes $110,000 from DSS for the month of January and another $110,000 for the month of February. The invoice to DSS for the months of March and April are completed and are currently making their way through the approval process at DSS. These funds will help carry the agency through the summer months. DCARA will also invoice DSS for May and June, helping to get through the summer and early fall, should there be delays with the state budget.

Expenses for salaries are under budget because there are still positions that have not been filled. Unexpected equipment expenses caused the budget to be over in that category. DSS has already approved those expenditures.

DCARA Board Meeting Minutes

The committee is looking forward to hearing from ED Brune regarding the level of activity on Work Place Giving and what is to happen with/in lieu of the Capital Campaign project, which was suspended last year.

**Designated Duties:**

1. Treasurer Lessard has discussed with ED Brune the idea of including a description of the 09/10 agency budget in his next vlog. She also discussed the idea of including a pie chart explaining the investment account with different color representations of the categories of which it is composed. This would be similar to the pie charts seen in the annual report. This might help allay some of the confusion regarding what monies belong to the fund for a new DCC.

   The Finance Committee would like to have a time line for when these could be done.

2. Business Manager Souza to explain to Solorzano about Board expense accounts and discuss the possibility of consolidating the accounts-- Roberto and Pederson to follow up on.

3. Solorzano - to send board both motions regarding investment account – “lock” and “unlock.”

4. Full board- to review motions and be ready to make a motion at the July mtg.

5. DCARA staff – to find/get recent or new appraisal of Parrot St. house.

6. Staff-- to investigate feasibility and explore the positives/negatives of second mortgage or refinancing on the Parrot St. house.

7. Find out how much equity is in the San Leandro (Parrot St.) house.

**Motion:** The Finance Committee recommends that the Board approve the Financial Reports for FY April 2009.

**Motion:** The Finance Committee recommends that DCARA’s Business Manager be given “read only” access to the investment account.

**Standing Committees**

**Board Development and Recruitment: Pedersen**
No report submitted.

**Fundraising Committee: Osborne**

DCARA Regular Board Meeting

Deaf Community Center, San Leandro, CA
Page 3 of 3
Canfield and Osborne met via VP and developed the fundraising plan for next year. They handed out copies of the fundraising plan.

The Fundraising Committee (FR) would like to see Board members volunteer for the following events:

To host a:

- House party
- Restaurant Night

FR committee would like to see everyone involved with the responsibilities spread out.

Direct Mail will be happening soon, so please start writing down: names and addresses of people you would like to contact on behalf of DCARA for support. Make sure they are people who you know, as they are usually the ones who will help out their loved ones, i.e. family and friends. Take the time to spread the word about DCARA and share what kind of program and services DCARA provides.

Oktoberfest:

Last year we had many services/goods for people to auction off or bid on. This year, Oktoberfest Committee is hoping that we can round up a few good board members who would be willing to volunteer their services such as:

- prepare dinner for a group of 4?
- prepare dessert for a group?
- mow a community member’s lawn?
- teach community members a new skill?

**Reports from DCARA**

**Executive Director:**
**Jim Brune**

**Personnel:**

- Virginia Beach (Client Support Specialist at FOG) is no longer with us.
• One position has been filled:
  * Information & Referral Specialist position: Christine Kanta
• We currently have 2 positions open:
  * Client Support Specialist (FOG)
  * EDD - San Francisco Job Developer/Interpreter (we are in the midst of interviews and anticipate making an offer this week)
• We are no longer advertising the Staff Interpreter position. This position was funded by DSS but has been very difficult to fill despite ample advertising. However, when working on the 2009-2010 budget for DSS, I made the decision to eliminate this position in an effort to keep all current staff employed and all essential positions intact. The impact is minimal; we will continue to contract with free-lance interpreters (and if necessary, interpreter referral agencies) for interpreting needs.

**DCARA Presentations/Workshops/Events in May:**

• We had a Cinco de Mayo on May 16th which attracted 90 people. We were able to secure a $650 sponsorship from Hola!VRS.
• On-going computer classes at DCC, San Jose, and FOG (beginner and advanced classes). Right now, we have four different series of computer classes going on.
• Grief Counseling Peer Support series

**Upcoming Presentations/Workshops/Events in June:**

• Deaf Culture Lecture Series: two events coming up – Genie Gertz on June 17th and Fred Weiner on June 20th.
• Vlog/Blog Symposium on June 27th: we are bringing in various speakers to talk about topics related to vlogging/blogging from across the country for this event on Saturday June 27th. Please see your packets for more flyers. Encourage people to come! It’s a very unique opportunity
• Multi-Cultural Potluck on June 13th
• ADA and Self-Advocacy workshops
• Parenting Skills class at Fremont FRC on Wednesday June 10th.

**Fundraising:**

• It was disappointing that the house party planned for May 30th at Dan Girard, Melinda Harrison and Heather Montero’s home was cancelled. This marks the 2nd time that a house party at their house was cancelled. We plan to abandon efforts to have a house party there for now and are currently pursuing possibilities for house parties in San Leandro and/or San Francisco.

DCARA Board Meeting Minutes

- Upcoming fundraising event: wine and cheese event after the Vlog/Blog Symposium at DCC.
- A committee has already been formed and has met once to begin the planning for the October 3rd Oktoberfest.
- Corporate Giving: We have submitted applications for general operating support to Wells Fargo Bank and Comerica Bank respectively.

Legislative Update:

- Most importantly, there is no information at the time of writing this report as to whether or not the latest discussions about the State of California’s budget will impact our DSS and EDD line item. I am monitoring this on a daily basis and most of the information I am gathering shows that the latest cuts are targeting Medi-Cal, people with developmental disabilities, and seniors. I am continuing to monitor the situation and will inform you if I learn of new data that directly impacts DCARA.
- Along with other members of the Community Alliance of Disability Advocates (based in San Francisco), I met with the legislative aides to Board of Supervisor David Chiu and Michaela Alioto-Pier respectively to discuss the impact of the economy on community based organizations.
- On Thursday June 4th, I gave testimony to the California Public Utilities Commission, urging them to support the effort to include wireless data service in the LifeLine Program.

Miscellaneous:

- EDD RFP: We submitted a response to the RFP on Wednesday May 13th. We should receive a response sometime this month.
- Deaf Employment Training Center: Tonight, Chriz Dally will be giving a presentation on the Deaf Employment Training Center program plan.
