Presented are the Financial Reports for the month of March 2010.

Revenue, Expenses, & Deficit are accurate for the most part; however, there seems to be a slight discrepancy in both Salaries and Occupancy which was discussed at the FC meeting in June. Business Manager Souza and ED Brune will investigate and provide updates as to the difference at a later date.

Fundraising totals have not yet been updated and will be at a later date and as a result, the deficit may be reduced. In the future, the FC will meet with the Fundraising Committee for current and relevant totals. A better determination of the deficit will be projected in July.
There is a small deficit of 13K. As stated last month it was initially projected to have a $40K deficit; however, money was moved from the General Fund and billed to DSS (program). We are still projected to operate at deficit due to cancelled events such as the Wells Fargo event. ED projected the deficit to be under $23K and, in fact, it is at $23K as stated above. Individual Board contributions have not been met for this past fiscal year. It is expected that each Board member contribute which will assist in the overall agency budget. Individual donations can be done in many forms: cash, contributions (such a rummage sale), selling tickets, renting the DCC etc…

Points of interests that should be noted and we need to discuss further include: Agency Budget for 2010-2011

Several questions that should be addressed: Are board commitments the same for the upcoming year? To be discussed and decided upon.
For instance, this past year it was agreed that each Board Member would donate $500 each by cash donation or contributing in some way that generated $500.

Do we anticipate board expenses for the upcoming year? To be discussed and decided upon.
For instance, board workshops or training and/or miscellaneous events provided for board members. This could also include refreshments or other related expenses.

Additional Notes:
The next FC meeting is not yet determined but to be scheduled for the first or second week of July.

DCARA Board Meeting Minutes

- Expenses: $2,280.08
- Net Profit: $3,046.93
- Does not include food and tent expenses (approximately $675)

- Upcoming fundraising opportunities:
  - We will have ASL Films’ 4th movie “Gerald” show at DCC on April 17th.
    - The April 17th event promises to be bigger and better! We plan to also have a panel of actors from the Bay Area who were involved in the film come up on stage after the film and talk about their experiences being involved in the film – Mary Telford, Sandra Ammons, and David Reynolds. There will also be two panelists who have family members with autism, Stefanie Ellis-Gonzales and Susie Giansanti.
    - Ticket sales remain SLOW. Please talk it up among your friends and family and encourage people to go. Again, if we do not have 100 heads in DCC at 1pm on Saturday, we will need to pay ASL Films $700.
    - We do need Board members assistance in selling candy, popcorn and water.
  - Deaf Fashion Extravaganza to be held on May 22nd and to feature Miss DCARA/Miss Deaf California Kayla Thomas. We will have Deaf models showing off fashions. We are working on getting sponsorships from Nordstroms to assist in dressing the models.

San Jose Lease:

- In my March 9th ED Report, I had reported that the lease for our San Jose office is up in June. We have been exploring options for our office space needs because we had applied for additional funding to hire a second Family Life Educator for the South Bay Area. We have decided to go ahead and renew the lease for our current space. This includes the use of the next suite that just became vacant from April to June for free and start paying rent July 1st. However, we did not get UWSV funding. We are waiting to hear about Santa Clara County funding. Whether or not we will keep the second suite has yet to be discussed.

DCC:

- Major repairs need to be completed on the bathroom pipes as well as the sewer lines leading out to the city main.
  - We are in the process of getting quotes
  - We are also in the process of discussing with our insurance carrier about covering the costs of the repairs.
Many issues need to be discussed including whether or not to keep DCC open during repairs. If we keep DCC open, we have safety concerns to address. If we close DCC, we have revenue loss to absorb.

Agency Budget for 2010-2011:
- I had reported in my March 9th ED Report that it is a work in progress. It continues to be a work in progress.
  - Last night, I gave the Finance Committee 3 questions to consider for the agency budget:
    - What is the total amount for the board commitment line item? In 2009-2010 it was $6,000 based on a $500 commitment from each of 12 board members. Will that line item amount remain the same?
    - Will there be any workshop/training expenses for the Board for 2010-2011? Now is the time to decide/plan for it for inclusion in next year's budget.
    - Will there be any refreshments or related expenses for Board Recruitment activities in 2010-2011?
  - The Fundraising Committee meets next Monday evening and I will have a similar list of questions for the Fundraising Committee to consider for the agency budget including what our proposed fundraising events will be, what the projected expenses will be, and what the projected net profit will be.
